

DIRECTIONS – WE’LL GET YOU THERE

Universal CityWalk is perched high on a hilltop overlooking Hollywood, just outside the gates of Universal Studios Hollywood—and is super-easy to reach by car or public transportation.

From the 101 South:

Take the Lankershim exit and hang a left off of the ramp onto Cahuenga Blvd. Next, make a left onto Universal Studios Boulevard, zoom up the hill and you’re there!

From the 101 North:

Exit Universal Studios Boulevard, and make a right off of the freeway. Motor up the hill to the entrance to CityWalk. You can’t miss it!

By public transportation:

The Metropolitan Transportation Authority (MTA)

Across the street from the Metro Red Line’s “Universal City” stop is a free shuttle bus that will chauffeur you right into the gates of CityWalk and Universal Studios Hollywood. Shuttles run approximately every 15 minutes daily from 5 am to 12:30 am. For MTA schedule and info, call MTA at (800) COMMUTE, or (213) 626-4455. Or visit: www.mta.net
