## Director's Letter

Greetings ,

It is time, once again, to select new Board Members! Applications are now being accepted.

Nominate yourself or someone else. The application process is simple: send us your contact information, a resume or curriculum vitae, and a brief biographical sketch explaining why you (or your nominee) would be an asset to the BTER Foundation and our members/clients. Once we receive the application materials, we will be in contact within 7 days.

**Responsibilities** - Board members are elected to a 3-year term, and expected to participate in quarterly meetings (4 meetings per year) and at least one committee assignment. Fundraising is not a mandatory requirement of board membership, but is certainly appreciated.

Send your applications / nominations to [info@BTERFoundation.org](mailto:info@BTERFoundation.org) by the end of September, so that we can hold elections before the end of the year. Drop us a note if you have any questions or concerns. More information will be posted on our website shortly.

Don't forget to check out the other announcements, below: BioTherapy Today! webinars, and needed phage

*Advancing healthcare through education and research in biotherapy,*

Biotherapy Live! (and recorded!)

The next broadcast of Biotherapy Live! is tentatively scheduled for October 11. More information to follow. Past programs are posted on our [Facebook](#) page and [YouTube](#) channel.

## Got Phage? Your Assistance is Requested

Phage.directory sent out an urgent request for assistance in searching for bacteriophages to assist in patient care:

- "*Proteus mirabilis*, *Escherichia coli*, *Klebsiella pneumoniae* and *Morganella morganii* phages for a patient in Saudi Arabia"

If you have access to such phages, or can assist in testing phage, or if you would like additional information, please email [staff@phage.directory](mailto:staff@phage.directory).
